

I am deeply troubled by Sinclair Broadcasting's decision to force it's affiliates to air an anti-Kerry documentary two weeks before the election. Sinclair has claimed it is just 'reporting news', but a pre-produced piece like this obviously stretches the idea of what is 'news'. I'm sure that Sinclair would not elect to air a copy of 'Fahrenheit 911'.

If all of Sinclairs stations were cable outlets, maybe it would have the right to air whatever fits it's own political agenda. But the fact that many of the stations are network affiliates obviously violates the intent of 'public airwaves'.

I urge you to act immediately to prevent Sinclair from acting in such a blatantly political manner.
